Happy New Year

NEW YEAR GREETINGS

We wish you and your loved ones a very happy and a very peaceful new year. May it be a year of special happiness and peace. May it bring us all a new awareness of the blessings we have received, of our great responsibility to use God's gifts wisely, and of our call as followers of Christ to be open to the needs of those around us.

NEW YEAR BLESSING

Grant us, O Lord,

- the hope to envision new dreams
- the strength to rise above our limitations, our fears and whatever holds us down
- the courage to stand on our own, to stretch our imagination and to experience being fully human, fully alive
- the faith to live our lives in your image and likeness. Amen.

POPE FRANCIS ON THE CRIB

'The crib points us to a different path from the one cherished by the thinking of this world; it is the path of God's self-abasement, that humility of God's love by which he abases himself, he completely lowers himself, his glory concealed in the manger of Bethlehem, on the cross upon Calvary, in each of our suffering brothers and sisters.'
